Orgonite Life Force Pyramid

2. **ORGONITE LIFE FORCE PYRAMID.** This Orgonite device includes White Azeztulite, Amazez, Cinnazez, Himalaya Gold Azeztulite, Satyaloka Clear Azeztulite, Azumar, Healerite and Moldavite. This combination was selected for refreshing and replenishing the subtle body. It is intended to dispel the fatigue that comes with periods of stress or prolonged work. It can also augment the recuperation process when one is recovering from injury or illness. This occurs through bringing one’s energy field into harmonic resonance with the “chord” of vibrational energies provided by the stones, and which is amplified by the Orgonite resin and the pyramidal form. I have tried this pyramid in healing body layouts, receiving very good reports from the recipients.
